WEBSITE DESIGN SERVICES PRICING

Graphic/Logo Design \$75

- We can design a logo for your company from scratch, just give us some details on your company and we can do the rest!

Website Design \$550

- Standard Package: will include 5 pages and 1 contact form (our most common website service)

Advanced Website Design \$1,000 and up

- Ground-up design, database integration, and custom programming, we can do it all!

Other Website Services \$65/hour

- Updating any website, troubleshooting any errors, and anything else we could do along the lines of programming/website services!

All prices are subject to change under extreme situations. Please contact us for a more accurate estimate.
